After Joining Waitlist;

- You will receive weekly email updates once puppies are born with pictures and puppy progression.
- Puppy Pairing will begin at 4-5 weeks of life and will go in order of waitlist which is determined by application/admin fee. You will have the day to make your decision before we move on to the next family in line. Once Paired, your remaining balance is due within 72 hours.
- For puppies that are flying home, arrangements need to be made by week 5 after puppy pairing is completed. We offer puppy nanny services which starts at \$750+ depending on the price of flights. The rate includes puppy nanny time, puppy travel bag (\$30 yours to keep and required by airline), the airline fee for pet in cabin(\$125-150 depending on airline), roundtrip airline ticket to airport of your choice.
- To ensure our puppies have a smooth transition from our home to yours, we ask that you order the Pawtree puppy food we feed the pups at puppy pairing This dog food has kept all our dogs happy and health with no recalls and is nutrient dense. If you choose to switch your dog's food down the road, please ensure a slow transition over a 7-10 day timeframe. I am happy to offer guidance.
- Details about all of the above bullet points will be included in the weekly emails on how to prepare for your pups arrival home!

The total adoption fee is \$4,500. This includes puppy go home kit containing puppy blanket and toys that have mama and littermates scent, Pawtree puppy food, treats, puppy potty pads, starter collar, leash and harness, as well as their first vet wellness visit, first vaccines and microchipping. The go home kit will include all vet records, feeding guide, tips and tricks, and Trupanion pet insurance information.

Commitment to your puppy (Initial to agree)

If any unforeseen circumstances arise, do you agree to contact us to bring your puppy back to us? We do not want our pups to end up in shelters, we will accept surrender with no hesitation, this does not waive the puppy fee.

Your puppy will require a lot of your time and energy for exercise and training. Are you prepared to commit to this?

Do you agree to commit to your puppy for his/her lifetime? (consider long-term expenses and care)

Puppy expenses include veterinary care, flea and heartworm prevention, food, crate and grooming expenses. Are you prepared to fit this into your budget?

Do you commit to providing proper veterinary care for the lifetime of your dog?

All puppies are limited registration only – no breeding rights. Spay/Neuter is required.
